

Make-Up Assignments

Please do one of the following options in order to make up points for a missed rehearsal/performance. Be sure to communicate with Mr. Buchen on which option you should do. All assignments must be turned in on the last Tuesday of the quarter.

Option 1 – Rehearsal Make-up

Go to <http://www.childrensmusicworkshop.com/advocacy/> and read one of the articles.

Turn in a one paragraph, typed summary of the article. Please note, you may only use one article once. You may not use the same article twice, even if the points are in different classes. Be sure to provide the link to the article.

Option 2 - Performance Make-up

Type a one-page, single spaced, size 12 font, 1” margins biography on one of the following composers. Be sure to include a bibliography of the sources you use.

JS Bach
Frank Ticheli
Ludwig van Beethoven
John Mackey
Johannes Brahms

Wolfgang Amadeus Mozart
George Frideric Handel
Pyotr Illyich Tchaikovsky
Joseph Haydn
Franz Liszt

Option 3 – Make-up worth varies

If you have an idea for another type of make-up assignment, provide a detailed explanation (typed or in-person) to Mr. Buchen. This could be a job around the music room, preparation for a rehearsal, or something else. Make sure to obtain prior approval from Mr. Buchen before starting!
